## REPORT OF THE TRUSTEES OF GILFORD PUBLIC LIBRARY

---

This has been a busy year for our librarian and at least one trustee.

Mrs. Simonds has been active on the Committee for Collaboration of Public and School Libraries, which is preparing a handbook. She was speaker at the all-day meeting at Memorial Jr. High in April. She is also Co-legislative Chairman of New Hampshire Association of School Librarians.

Mrs. Pratt again attended the summer training course for public librarians at Durham. She was present also at the testimonial dinner for Mrs. McKay, former State Librarian.

We went to Laconia Library in May and again this fall, for regional meetings, discussing the new library legislation. In November we joined a workshop at the State House in Concord, on buying books.

During the summer our workspace was enlarged and is now much more convenient.

Larry Morin left his custodial duties in September for college, and Chris Pratt has taken them over.

Respectfully submitted,

DOROTHY K. SIMONDS

## Librarian's Report of Gilford Public Library

## 1964

---

On January 15th, Mrs. Hazel Weed became the new assistant librarian. The library hours have remained the same as last year; Monday, Wednesday and Thursday, 2-6 p. m., Tuesday and Friday, 2-8 p. m. We have found another increase in the use of our reference materials this past year. There was a slight drop in our circulation, due in part to the lack of Bookmobile visits. Because of a change over at the State Library, we had 2 less visits from the truck. However, since November 12th, we have had 2 exchanges. The last trip, the library borrowed 736 volumes. My helpers in selecting the books from the state have been Ruth Sawyer, Eleanor Lindsay, Hazel Weed, Lee Burt, Nancy Leonard, Billie Hoffman and Dorothy Emilio.

While I was at school, this summer, the library was ably manned by Hazel Weed, Lee Burt and Dorothy Emilio. As of August 1st, Mrs. Dorothy Emilio became the new assistant librarian. Mrs. Weed has moved to Hanover, N. H., with her family.

Throughout the year, the library has been working with the Grade School as in the past. Mrs. Maxine Johnson and her third grade class visited the library during National Book Week in April. The librarian spoke to the combined third grades, an annual event, during National Children's Book Week in November. Finally, Mrs. Peg Van Etten has again been borrowing books for her classes.

We, at the library, wish to thank the many people who help to make our library. I would also like to extend to all residents of Gilford, summer and year around, an

invitation to use your library, this coming year. If we haven't the book you want or need, we will do our best to find it for you.

Respectfully submitted,

RUTH S. PRATT,
Librarian

## REPORT OF THE FOREST FIRE WARDEN AND YOUR DISTRICT CHIEF

---

The 1964 forest fire season surpassed the record year of 1963 in both length and severity. For the second successive year, we experienced a rainfall deficiency of more than ten inches and the compounding of such drought conditions, together with many days of strong, dry winds, characterized 1964 as one of the most hazardous years in the past half century. Although our fire season was three weeks longer than that of 1963, the number of fires showed only a slight increase and more remarkable was the fact that the area burned dropped from 2280 acres in 1963 to 900 acres in 1964. Early detection and rapid response kept many potential fire disasters from becoming reality. We all owe a debt of gratitude to the men of this community who responded and fought our fires so efficiently. Our state is now 86% wooded and its economy — both industrial and recreational — is greatly dependent on this forest resource. The responsibility for adequate fire protection of this great area — 4,350,000 acres — is everyone's responsibility and prevention is one of our most effective tools.

Prevention is good common sense.

1. Take your rubbish to the town dump. If you must burn, obtain a permit and watch your fire until it is dead out.

2. Instruct your children in fire safety. Keep matches from young children. Explain to them the dangers of lighting matches and making outdoor fires.

3. Be sure discarded smoking material and matches are out.

A major portion of our preventable fires this year are chargeable to three causes: (1) permit fires allowed to escape; (2) children playing with matches; and (3) smokers. Let's be mindful of the fact that all such fires endanger property and lives.

We wish to thank you for your very fine cooperation during the past fire season and with your continued cooperation we are confident that we can improve our fire record in 1965.

**Number of fires and burned area in 1964**

State — Fires 886; area-acres, 875.
District — Fires, 171; area-acres, 326.
Town — Fires, 8; area-acres, 55.

District Chief

## GILFORD FIRE DEPARTMENT
## 1964

---

During the year 1964 your Fire Department responded to a total of 87 alarms, of which 20 were in structures, 34 were grass and woods, 2 chimneys, 2 automobiles, 1 flooded oil burner, 4 Mutual Aid calls and 21 miscellaneous fires. Also the Mutual Aid Association came to our assistance 3 times during the year.

We had 15 less fires in 1964 as compared with 1963. In this respect your Fire Department would like to compliment the residents, summer residents and tourists, as you are the ones that have made this reduction possible. We would also like to call special attention to the fine fire record of our Island residents. In the past 10 years there have only been 2 fires on our 22 Islands and everyone in Gilford should be proud of such a record.

The Fire Department encourages it's permanent and volunteer members to participate in Fire Training courses throughout the year and the response has been most gratifying. Ten Firemen attended the Lily Pond Fire School and 3 Firemen served as Instructors for the school. Ten Firemen attended a 16 hour course on the Air Pack and Mask, which was given at the Gilford Station by a State paid Instructor. Five Firemen attended a Fire School held at Grenier Air Force Base. In addition to time the men have devoted to improving themselves as firemen they have also given 500 hours of their time, during the year, in extinguishing fires on our 87 alarms.

The Ford Tank Truck that was replaced this year has been turned over to our Highway Department and is being used to flush culverts and wet down roads during road construction.

During the widening of the bridge into the Village, we were able to install an additional Dry-Hydrant. We now have a total of 7 such Hydrants and these facilities greatly reduce the time involved in picking up and relaying water to our fires. We plan to continue our program of strategically locating hydrants where it is economically feasible to do so. Due to the installation of agitators at the Gilford Marina and Fay's Boat Yard we now have open water available throughout the winter.

We have installed electric reels on the Booster line on our Glendale Truck and have added miscellaneous items to our new 1000 gallon Tanker.

Mr. Merrill Fay has placed a "Snow-Cat" and toboggan at our disposal for use in case of an Island fire during the winter. We wish to thank Mr. Fay for this most generous offer.

Through the courtesy of Mr. Fred Shurbert, 70 first graders from the Gilford School, were brought to the Fire Station. We instructed them in fire protection and the use of the fire telephone in case of fire. We have also conducted Fire Drills at the Gilford School and had "Smokey The Bear" talk to the school children on Fire Protection.

This is your Fire Department and we encourage your visiting the station at any time.

## REPORT OF THE POLICE DEPARTMENT

### For the Year Ending Dec. 31, 1964

---

I hereby submit my report for the year ending December 31, 1964.

As you well know, the building in Gilford has continued at a very fast pace and this is evidenced by the fact that, according to the "New Hampshire Register", the population was 996 in 1940, 1,251 in 1950, 2,043 in 1960, and approximately 3,000 at the end of 1964. There is every indication that it will continue to grow at an even faster rate with the advent of new industries and the new shopping center which has already commenced. Another factor which will have much bearing on future growth is the improvement of our present highway system, and the addition of the new Laconia By-Pass. We must also consider the rapid development of the Belknap Area recreational facilities and its new neighbor, the private area which is scheduled to be built early in 1965.

Let us consider the population increase in relation to our permanent force. The minimum requirement, according to the F.B.I., is one permanent full time officer per 1,000 population. At the present we have two (2) permanent full time men for 3,000 people. (Laconia has 28 permanent full time officers for 16,000 people) During the summer months our population is increased by 10,000 and during the winter on a good ski weekend it is not unusual to have 7,500 in a single day at the Area.

Robert Hutchinson came to work on a full time basis in the latter part of January after having served one and one half years as a special officer. Robert has taken a very active interest in the department and has certainly done a highly commendable job.

In the middle of the month of September we started moving into our new quarters at the Town Hall. We now have ample room for our records and communications division. The base station was moved from Liberty Hill to the new headquarters in the Town Hall. The radio and telephone calls are taken care of from 9 a. m. to 5 p. m. Monday through Friday and from 9 a. m. to noon on Saturday, by Mrs. Janet Moore, Mrs. Marian Landry and Miss Laurel Lawrence. During the second week in October we were most fortunate in obtaining the invaluable services of Jack and Jean Sims to cover our communications nights, weekends and holidays. We were also most fortunate in obtaining the use of the Department of Safety, Division of Safety Services radio base station, which is located at the Sims residence and which is also on the same frequency as our station. In addition to this, there are police phones and monitor radios located at the Chief's home and Officer Hutchinson's home. This makes our communications setup second to none.

During the course of the year 193 various complaints were answered which were made up of breaking and entering, larceny, vandalism, and animal complaints. Assistance was rendered to individuals 199 times and to other departments 76 times. 157 bank escorts were made and seven over-width trailers escorted. The cruiser man secured 427 doors in places of business on routine patrol and made 17 emergency trips to the Laconia Hospital. Assistance was rendered to the Fire Department 25 times. Percentage wise comparing to last year, the work load of the Police Department has increased about 70% making it necessary to work more hours, giving up days off and taking shorter vacations. Over the last year the Chief averaged 61 hours per week and the second averaged 57 hours per week. This is strictly cruiser duty, and does not include time spent on investigations, office work, and lunch breaks. In July an intensive investigation was started which is still under

investigation. We captured 3 subjects wanted for armed robbery by Vermont State Police. This added another 30 extra off duty hours.

Your permanent men have just completed a 16 week course in Police School at St. Anselm's College in Manchester and have already started another 16 week program to better equip themselves in the highly technical field of police work. These schools are very beneficial to the town as well as the Police Department so that we may better serve you. These classes are attended on our only off duty night.

CHARLES F. BURDITT,
Chief of Police

### The State of New Hampshire

---

To the Inhabitants of the School District in the town of Gilford qualified to vote in district affairs:

You are hereby notified to meet at the Gilford Grade School in said district on the sixteenth day of March 1965, at 8:00 p. m. o'clock in the afternoon to act upon the following subjects:

1. To choose a Moderator for the coming year.

2. To choose a Clerk for the ensuing year.

3. To choose a Member of the School Board for the ensuing three years.

4. To choose a Treasurer for the ensuing year.

5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.

6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for

the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the District will vote to raise and appropriate the sum of $3,600 for the purpose of purchasing 10 acres, more or less, of Wilson land contiguous to the present school grounds. This sum to include the cost of acquisition, the conveyance to be subject to the right of Wilson to remove the growing timber.

10. To transact any other business which may legally come before this meeting.

Given under our hands at said Gilford this fourth day of February 1965.

## REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Members of the School Board,
Parents and Voters:

It is my privilege to submit the above report for the school year ending June 30, 1964.

It should be noted that your school during this time was under the supervision of my friend and your Superintendent, Mr. Gordon Fox. I should like also to express at this time how happy I am to be associated with this school district.

Respectfully yours,

KENNETH L. SHERMAN,
Superintendent of Schools
